

Students,

You are cordially invited to attend a FREE special ITSC Student Activities event on Tuesday, June 10. The event is hosted by the conference organizers and the IEEE Intelligent Transportation Systems Society (ITSS) and takes place on a night without other conference events.

Join us in the evening on Tuesday, June 10, for dinner and entertainment. This fun networking night is just for the students and FREE. It will give you a chance to meet your colleagues from around the world and provide extra opportunities to learn about and interact with ITSS members.

Schedule:

- | | | |
|-------|---------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 17:30 | Adoba Hotel | Meet and take bus tour to Detroit passing famous area landmarks such as Comerica Park and the Mowtown Museum |
| 18:30 | Trarffic Jam and Sung | Enjoy the first brew-pub in the state of Michigan known for its in-house bakery, microbrewery, and diary. See more on Guy Fieri's Diner, Drive-ins, and Dives . |
| 21:00 | Adoba Hotel | Return to the hotel. |

Space is limited, please reserve you spot early by sending an email to Brendan Morris (brendan.morris@unlv.edu) with the subject **iv2014: student activities** to RSVP. Be sure to include your name and university in your email.

Please reply by/before 23 May 2013 to reserve your spot.

See you in Michigan!

Brendan Morris
